

DEATH BY CHOCOLATE

1 (19.8 oz) box fudge brownie mix

¼ to ½ cup kahlua

3 (3.5 oz.) boxes Jello chocolate mousse mix and required milk for the mixes (If you can't find the mousse, use instant chocolate pudding mix)

8 (1.2 to 1.4 oz.) Skor or Heath candy bars (or 1 –2 bags Heath Toffee Bits)

1 (12 oz.) carton Cool Whip

Bake brownies according to package, cool. Poke holes in brownies with fork. Pour Kahlua over the brownies and set aside.

Make mousse according to the package. Break candy bars into small pieces in food processor or by tapping them (in the wrappers) with a hammer. Crumble half the brownies and place in bottom of a large glass bowl. Cover with ½ the mousse, then ½ the candy, and then ½ the whipped topping. Repeat layers with remaining ingredients.

Note: Instead of Kahlua, substitute a mixture of 1 tsp. sugar and 4 tbsps. black coffee.
